Harold

I think that Citadel is now owned by
Lyle Stuart, at 150 Fifth Avenue, NYC 10011.

If I learn how Mailer's OSWALD did, in hardcovers and trade paperback covers, I'll let you know -- My guess is that it not sell well in either edition. (He did get to meet Marina, who, I believe, has not revealed all she knows.)

I, of course, pass your regards on to Walter, with whom I am about to do another (our third) book.

We all miss Sally Belfrage.

JA.

And, again, thanks for your stuff. Jerome Agel
